BOOKS & CRANNIES

A standing-room-only crowd attended the grand opening of C&I contributor Chelley Kitzmiller's new bookstore, Books & Crannies, in Tehachapi, California. Jack Hannah, lead singer of the Sons of the San Joaquin, and his writing pard, Dr. Gary Sells, were there, signing their new children's cowboy book, *The Value Mountain Trail*. Jack Palance, who plays the evil Fearless Crumm on the accompanying CD, also signed the book as well as his own book of blank verse, *The Forest Of Love*.
